◆ **CHRISTMAS ENCHANTED BY THE WONDERS OF LES NEIGES COURCHEVEL**

At the heart of Les Neiges, Chalet Fouquet's will be transformed to welcome you to the magical world of Santa's workshop. The Chalet will be adorned with traditional Christmas décor to usher guests into an enchanted atmosphere sparkling with lights. Magical.

When night falls, Father Christmas will appear, dressed in his thick red and white coat. He'll arrive via the slopes after making his long trek from the North Pole, to the delight of our youngest guests. Children are then invited to accompany him to the Chalet, where they'll open their gifts and take part in an unforgettable photo shoot. Father Christmas will have countless surprises in his magical sack for this wonderful, heart-warming experience.

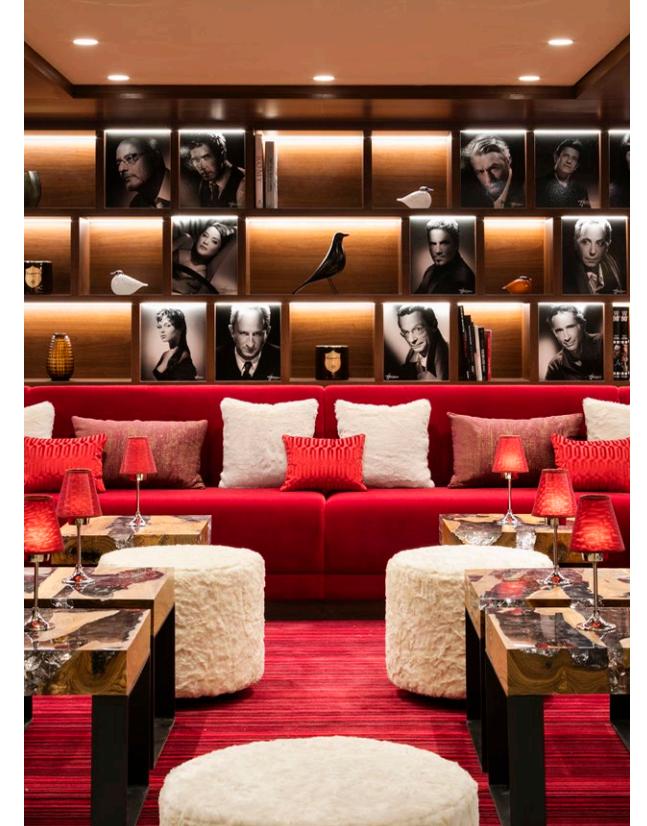

◆ **SEE COURCHEVEL FROM A DOG-SLEDDING RIDE**

After having had their magical experience immortalised in a photo, children will discover the joys of a dog-sledding ride through Courchevel forest. Led by the head of the pack, a magnificent Siberian husky, our youngest guests' guides will unveil the spectacular landscapes the resort has to offer. Halfway through the ride, children will stop off to share an unforgettable experience with the dog-handler and their loyal companions.

◆ **COSY FIRE AND EXQUISITE COCKTAILS**

A cosy fire and divine drinks at Bar Fouquet's. A fire crackles in the fireplace all winter long, but behind its elegant, refined appearance, this luxurious oak-panelled lounge buzzes with celebration and festivity, inviting you to come and enjoy a cinnamon-flavoured mulled wine or a sophisticated cocktail created by the bar staff, against a backdrop of live music.

◆ **MAGICAL EVENING**

A welcoming, festive atmosphere is guaranteed by singing duo, who will keep the party going until the early hours of the morning. Bertox the magician will astonish guests with his incredible tricks. After winning the French and European Magic Championships, he took part in numerous TV shows all over the world. A lover of stage spectacle, with a mix of circus skills and magic, guests will fall under the spell of his amazing tricks.

◆ **ENCHANTING EVENING MEAL**

Because Christmas is also a celebration of the senses, the stars will be shining down on Le Fouquet's tables during the end-of-year celebrations. Pierre Gagnaire has designed an amazing Christmas menu based around exceptional produce. Guests' plates will be adorned with his continually innovative three Michelin star cuisine. Masterful dishes, to round off the year at the peak of indulgence.

A whole range of other surprises will take place during the celebrations, with traditional Christmas films screened at the cinema to delight all ages.
