A STIMULATING WORLD FOR YOUNG ARTISTS

Colourful and original, Le Studio by Petit VIP is an inspiration. The reality of a child's world blends with the fantasy of their dreams to create a recreational and educational, interactive and uplifting area where everything revolves around games, stories and learning, with a pinch of cheekiness.

Our Petit VIP trained and qualified Ambassadors offer children a selection of varied, multi-cultural, and innovative activities based on the 10 major arts. You will find the daily programme on display in Le Studio reception. Whether they're dressing up as a flower, building a dream set or creating a superhero costume...

anything is possible! For the duration of their stay, your children will develop their artistic talents.

During the season, artists are invited to provide unique activities and/or organise one-off workshops based on their work.

An afternoon snack is included in the activities programme. At mealtimes, young foodies enjoy a child-friendly restaurant service which incorporates deliciously healthy and high-quality produce. Dining options are subject to prior reservation at Le Studio by Petit VIP reception. Children can also sample one of five fruit mocktails on offer at the hotel bar.

PETIT VIP: MUCH MORE THAN A KIDS CLUB

The passport stays with them for the duration of their stay, from one stay to another, and contains games and colouring. It can also be stamped by Le Studio by Petit VIP to validate workshops.

Tokens are the children's currency and enable them to make their own purchases: evening activities, mocktails, etc. Children can come to reception accompanied by an adult to obtain tokens.

TO ENROL YOUR CHILDREN

Come to reception or to Le Studio by Petit VIP and speak to one of our Ambassadors. Upon completion of the registration form and acceptance of the service regulations, your children will be able to take part in Le Studio by Petit VIP workshops. Subject to availability.
